Card From C. C. Featherstone

To the Democrats of South Carolina:

I wish to take this opportunity to thank the friends in every county who gave me their loyal and unwavering support in my candidacy for governor and to request a continuance of their efforts until the polls close in the second primary. The time before that election is short and I will not have the opportunity to communicate with many of them personally. From the indications of the first primary and the assurance received already from every section of the State, I am confident of being the next governor of South Carolina but the victory can not be achieved without the assistance of my friends in each county.

I wish to say that from now until the second primary I will have headquarters in Columbia, where matters pertaining to the campaign will be attended to and where my friends may communicate with Me.

Sincerely,

C. C. Featherstone.

Columbia, Sept. 1, 1910.

This is one of those desirable places that will not stay on the market long when people find out it is for sale. Price \$50 per acre on terms of one-half cash and balance in one, two and three years. Let me show you this; you will like it.

No. 59. 102 acres; 1 1/2 miles from Liberty, near Calumet Cotton Mills; about 60 acres cleared and in good state of cultivation; good house with two tenant houses. This is a No. 1 place and one you will like if you want a farm down on the Southern railroad. Can give you terms on this of one-half cash if you desire. The price is only \$42 per acre.

Do You Feel This Way?

Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer? Do you have a poor appetite, and lay awake at nights unable to sleep? Are your nerves all gone, and your stomach too? Has ambition to forge ahead in the world left you? If so, you will. Dr. Pierce's Golden Medical Discovery will make you a different individual. It will set your lazy liver to work. It will set things right in your stomach, and your appetite will come back. It will purify your blood. If there is any tendency in your family toward consumption, it will keep that dread destroyer away. Even after consumption has almost gained a foothold in the form of a lingering cough, bronchitis, or bleeding at the lungs, it will bring about a cure in 98 per cent. of all cases. It is a remedy prepared by Dr. R. V. Pierce, of Buffalo, N. Y., whose advice is given free to all who wish to write him. His great success has come from his wide experience and varied practice. Don't be wheedled by a penny-grabbing dealer into taking inferior substitutes for Dr. Pierce's medicines, recommended to be "just as good." Dr. Pierce's medicines are of known composition. Their every ingredient printed on their wrappers. Made from roots without alcohol. Contain no habit-forming drugs. World's Dispensary Medical Association, Buffalo, N. Y.
